ON THE BRINK OF SUMMER

There is something about a winter beach. This arc of sand known as ANGELICA Point looks lonely in the off season but only to those who look from afar. In fact, there is never a time when there are no footprints in the sand regardless of the bitter wind that may sweep the point. Here is Angelica looking abandoned and bleak but only two weeks from the start of the summer. As the photo was taken , the sound of a saw was in the air and two small boys played in the sand as their dad made ready for the coming season. This unique community is about to come alive one more time.

Rochester Regional Junior and Senior High Schools, Capital Outlay Expenditure Exclusion, $4,180.

On the 2½ overrides this will provide additional levy capacity by increasing the levy limit by a specified amount. Result - a permanent increase in levy capacity.

Debt Exclusion provides additional levy capacity by excluding certain indebtedness from the calculation of the levy limit over the life of the borrowing. Result - the annual exclusion is added to the levy limit over the life of the borrowing but does not become part of the levy limit for the purpose of calculating the levy limit in future years. A temporary increase in levy limit.

Capital Outlay Expenditure Exclusion - Provides additional levy capacity by excluding certain capital outlay expenditures from the calculation of the levy limit for the fiscal year in which the expenditures will be made. Limited to purposes for which a town may borrow. Result - This is also a temporary increase in levy capacity.

Mooring Areas/Shellfish Beds

MATTAPOISETT SELECTMEN'S MEETING
MAY 23, 1989 - by VIRGINIA MORGAN

The harbor areas where moorings are presently placed, where there are open spaces for new moorings and where the shellfish beds conflict with mooring spaces were detailed along the town's shoreline and spelled out to Selectmen last Tuesday by Harbormaster/Wharf Commissioner Steven Mach and Shellfish Constable Brian Nunes.

The area covers from the Mattapoisett River to Underwood's house and from Ned's Point to the Underwood house. "In the Molly's Cove area on the lee side of the harbor there have never been too many moorings. This is an area where small boats can sail safely on windy days," Mach said. This area is closed to moorings because it

contains shellfish, Nunes said.

Nunes said the Camp Massasoit area is a major recreational resource - just the camp can moor boats - and there is shellfishing in the area.

Selectmen Chairman Bernard F. Talty asked, "According to state regulations, how far from shellfish beds do boats have to be?" Nunes responded, "We don't know yet whether compass bearings will be used by the state or how the distance will be figured. The state will be doing a lot of testing this summer."

The area off Shell Beach is open to moorings from the Underwood house to Ram Island; however, Nunes noted there is not much easy access to boats.

Mach explained the west side of Barstow Wharf to Long Wharf is now full. Barstow Wharf to Ship Street, there are some openings for smaller boats, up to 26 feet. This area is closed to shellfishing, said Nunes. The next area is from the Mattapoisett Boatyard (Ship Street to Ned's Point) which is open to new moorings as space permits. This is now open to shellfishing but may be closed in the future.

Mach said, "Gibbons Beach to Rycroft Point we want to close as this area is saturated now." The area is restricted to boats 26 feet or less and closed to shellfishing.

In the outer harbor, Ned's Point to Pine Island Pond, the area is closed to shellfishing; Crescent Beach to Pine Island Road no boats are allowed as this is shellfish relay space. Ned's Point to Pico Beach is open to moorings. The next area is Angelica Point to Peases Point and Point Connett. No boats are in this area as this has a large quahog population. This area also has a massive sand bar and is not good for boats.

is open to moorings. In the Aucoot Cove, the west side is very good quahogging. In the area of Hiller's Cove it is closed pending new regulations by the state. Ram Island (in front of Antassawamock) is a poor area for boats as the winds are very strong, but the area is open for moorings.

Brandt Island area is closed to boats. This is a very good shellfishing area, with oysters, plus there is a propagation grant in the area. Brandt island to the Fairhaven line is open for moorings.

Selectmen accepted the areas recommended by the Shellfish Constable and the Harbormaster.

Selectmen voted to open Shining Tides from the stone groin at Camp Massasoit to Rycroft Point for the taking of shellfish, effective immediately.

On a similar matter, Selectmen and the Harbormaster met with Mr. Robert Brack of 18 Water Street who wished to clarify why he could not get a mooring space off his property for a 19 foot Corinthian boat.

He explained that when he bought the property in 1987 he was led to believe by the seller and the Mattapoisett Boatyard owner that he could get a mooring. He added that he owned a mooring about 3/8 mile out that he was presently leasing, as it is much too large for his boat.

The Harbormaster said, "When you bought your home you spoke to the seller and boatyard owner, but you didn't talk to anyone from the town. If you had wanted a mooring you should have gotten it in 1987. We can't take you over others - your name will have to go on a list." Chair-

man Talty noted the Harbormaster is the only one who can grant mooring spaces.

Mr. Mach added that Mr. Brack could go on a transfer list; he could give up the big mooring to someone else in trade for a smaller mooring. This suggestion was not acceptable to Mr. Brack. The Harbormaster also recommended he could check who owns a mooring close by who would be willing to lease to Mr. Brack. He added there are 60 names on the waiting list now. "When we open up more mooring spaces this could clear 10 names off the list and your name would move up."

Also discussed were the hazardous conditions of the potholes on the wharves. Selectmen suggested perhaps Highway Surveyor Wesley Bowman can use tar from road work to be used on town-owned wharves. Mach noted there could be more expense than just tar as there should be concrete underneath. "We have to be careful not to dig up wires or water lines."

Selectmen agreed to have the Highway Surveyor come in to discuss ways to repair the holes in the wharves.

Nunes was given permission to advertise for sale his 1977 truck, for parts, in as-is condition. The chassis is rotted, but the engine is good, he said. It can be seen at the town barn.

In other business, Selectmen:

ANNOUNCED THE TOWN has to foot the bill of $1,700 to clean up three barrels of oil and one of hazardous materials deposited at Industrial Drive. Evergreen Construction Company, Inc., under the direction of Fire Chief Donald C. Wood, cleared the barrels on Friday after they were dumped there on Wednesday, May 17th, by persons unknown at this time.

conditions were so critical that the barrels needed to be removed immediately before someone decided to take gun shots at them. "This could have caused a much more serious condition. If we had to pay to dig up the ground due to hazardous waste spill, it could have cost us much more than the $1,700." The money will have to come from the Reserve Fund, as this should certainly qualify as an emergency, he added.

It was decided to have Town Administrator Lois K. Ennis check the penalties, if any, and, if none, perhaps the Board should consider voting some regulations, as this could happen again in the future.

Chairman Talty said, "This is a criminal offense and we should get the police involved in the future. We should try to identify the persons involved." He noted there had to be a truck with an hydraulic lift to dump three heavy barrels of contaminated oil.

Selectmen agreed to place gates at the end of Tower Road (already done), at the end of the paved area of Industrial Drive and the area leading westerly off Industrial Drive towards the ComElectric easement. Also, large rocks will be placed at the end of Boat Rock Road and adjacent to Mahoney's.

plaint concerns the unsightly buildings with no doors; the seven unregistered vehicles, oil spills and other hazardous materials that are being stored on the ground, old tires and other debris in plain sight. The complaint notes, "According to zoning by-laws, all exterior storage of equipment, and other substances shall be screened from view. We request that this ruling be complied with."

Several photographs were submitted by the Delanos showing the piles of junk, unregistered vehicles and oil drums.

Chairman Talty asked if a non-conforming use can be expanded. Administrator Ennis said any expansion or change of use should go to the Board of Appeals. She said the problem is that when the company started in that location in 1967 it was owned by John F. Denham, Jr., who also lived at that address; now Barry Denham operates the business but does not live on the property. She added that Barry Denham has indicated he has complied with some of the changes.

The Delanos believe the value of their property has been reduced because of this business. "We feel that the changes that have been made in the size and character of the operation since 1967 were done in violation of the zoning by-laws and that our rights have been violated."

A letter from the Board of Health to Barry Denham noted the board inspected the property on April 11 and revealed the drums of oil and other materials on the ground, piles of debris which are conducive to rodents, a number of unregistered vehicles and used plumbing supplies, pipes, water heaters - all with improper screening.

The Board said the drums of hazardous material shall be placed on an imperious platform so constructed to prevent any spills, avoid run-off and make for easy clean-up in the event of a spill; the saturated ground

shall be completely removed and replaced, and the contaminated material disposed of at a hazardous waste facility with copies of vouchers submitted to the Board of Health; the piles of debris shall be removed. The question of the vehicles, screening and plumbing supplies shall be turned over to the Building Inspector.

RECEIVED A NOTICE from Building Inspector Andrew J. Bobola regarding his refusal to grant a building permit to Bruce E. Rocha for Mr. Gregory Parker to erect a garage in the velocity zone of the Flood Plain Zone.

The area in question is at 59 Mattapoisett Neck Road in the Marshmere section. The inspector's decision, which was agreed to by Town Counsel Donald J. Fleming, was based on the lot having no frontage on a street, and set-backs impossible to determine. Also, a July 1, 1988 state building code states structures in the Flood Plain Zone are to be built at an elevation of a minimum of 18 feet above mean sea level.

WILL GRANT the Old Colony Clean Water Company of Wrentham permission to place a water-sample bottle on each door in town.

Selectmen stressed this is a private concern and is absolutely not a town-sponsored project. The company is interested in selling individual water treatment systems to residents of Mattapoisett. Chairman Talty expressed concern that this project may scare some people. "Our water is pure. However, as long as they have proper per-

WILL NOTIFY Highway Surveyor Wesley Bowman to put up signs as soon as possible on Mattapoisett Neck Road and Brandt Island Road designating the rate of speed. Also, at the recommendation of Safety Officer Stanley Ennis, the Highway Department will place a sign on Brandt Island Road designating that the road branches and will replace a stop sign that has been removed.

RECEIVED A LETTER from Mr. Prentis C. Higgins, 7 Shipyard Lane, expressing opposition to the expansion of the Mattapoisett Boatyard. This will be placed on file with other such communications.

RECEIVED INFORMATION from the MMA (Massachusetts Municipal Association) that the state government is still uncertain as to the amount of local aid cities and towns can expect for fiscal 1990. Several suggestions have been proposed by legislators on how to deal with the underfunding; two are supported by the MMA.

One - by Senators Mary Padula (R-Lunenberg) and David Locke (R-Sherborn) who have filed a bill that would increase the percentage of lottery revenues that are distributed to cities and towns. Estimated revenues from the increase could reach $100 million. The second suggestion filed by Representative Marc Pacheco (D-Taunton) was successful in having the House adopt a Sunday lottery, the proceeds of which will go directly to municipalities. The estimated proceeds from this legislative action range from $21 to $32 million.

WERE NOTIFIED by Planning Board Chairman William H. Matthews that the complaint of Mr. George Viveiros filed with that Board on May 16th will be heard officially at a meeting at 7:30 p.m. June 6th at Town Hall.

Mr. Viveiros' complaint concerned the water drainage from the Heritage Lane subdivision off North Street onto his property. A notice of the meeting has been sent to Mr. and Mrs. Kenneth Thustad, 7 Pleasant Street, Fairhaven. If they fail to appear at the meeting, the Planning Board will consider initiating an order to rescind or modify the subdivision.

Mattapoisett Special Town Meeting - June 7

Among the 12 articles at the June 7 Special Town Meeting, the amount of $44,180 is being sought for asbestos removal from the ORR High Schools and $149,300 for asbestos removal from Center and Old Hammondtown Schools, both from capital Outlay Expenditure Exclusion. A certain sum of money, not recommended by the Finance Committee, is being sought by petitioners, for water pipe replacement in Stoney Hill Road, Pinewood Way and a portion of Tinkham Lane; $2,000 for the Rape Crisis Clinic in New Bedford. Also, several other articles seek smaller sums of money for town government. The meeting will be held at 7:30 p.m. at Old Rochester Regional High School.

Voters will be asked to allow the Selectmen to accept a conservation easement from

PUBLIC WORKSHOP, JUNE 14

The Mattapoisett Planning Board has announced that their Public Workshop to discuss growth issues facing Mattapoisett in the next decade will take place in two weeks. On the evening of Wednesday, June 14th, the workshop will be held in the Cafetorium of the Old Rochester Regional Junior High School.

A program to stimulate public interest in attending the workshop was discussed at a joint meeting of William Matthews, Planning Board Chairman, Peter Kortright, Chairman of the Mattapoisett Growth Management Committee, and Burk Ketcham, the Town's Planning Consultant. In a joint statement Mr. Matthews and Mr. Kortright urged all interested citizens to mark the date on their

calendar and plan to attend.

Some of the issues to be addressed at the workshop will include:

What steps should Mattapoisett take to protect the quality of its water supply?

Is there a need for additional playing fields north of I-195?

Should the Town enact stricter regulations covering seasonal home conversions?

How should the projected need for additional elementary grade classroom space be addressed?

Should additional areas be zoned for business, light industrial and office park uses?

Would you be in favor of bikeway and bike paths in selected locations?

Do you favor strong development codes to protect fragile coastal and inland ecosystems?

Where should we allow housing for small families not requiring large single family homes?

Would you favor zoning concepts designed to protect the rural character of Mattapoisett?

The information generated at the workshop will provide guidance to the Planning Board in deciding on a preferred Growth Management and Land Use Plan for the Town.

For further information please contact William H. Matthews, 758-2170; Burk Ketcham, (617) 383-1871; or Peter Kortright, 758-6541.

and cornmeal. The boys especially enjoyed watching the men perform their musket drill.

After leaving the Plantation, the children visited the Wampanoag summer homes. There they learned how the Indians constructed their huts and made their canoes by burning the interior of tree trunks.

Our visit to Plimoth Plantation proved to be a very enjoyable learning experience.

Long Plain United Methodist

SUPPLIES FOR NICARAGUA

Supplies are being collected to send to Nicaragua by the Long Plain United Methodist Church as part of the conference-wide Ingathering at the Southern New England Annual Conference, which begins June 7th in Springfield. Materials which are desperately needed by the Nicaraguans include summer weight clothing for all ages, especially adults' underwear in small sizes, work pants, sneakers, and cloth diapers.

Gardening tools and building tools and nails are also needed, as the people in the area on the East Coast, which was devastated in the October hurricane struggle to rebuild their homes and clear their land. All sorts of medical supplies and items of personal hygiene are being sought, as are school supplies, such as paper, pencils, and crayons.

All donated items will be delivered to Conference by the pastor, Janet Wallace (748-0395), and the lay delegate, Lucille Harris (763-2184). Call either of these people if you have items you need to have picked up; or donations may be delivered to the church by June 6th.

Flea Market/Bake Sale

The Acushnet Historical Society will be sponsoring a Flea Market/Bake Sale on June 3rd from 9:30 a.m. to 4 p.m. to coincide with the opening of the Long Plain Museum

eye talk

Q. **What's the best color for sunglass lenses? How dark should they be?**

A. Good color choices for sunglasses are gray, which does not modify colors, or green. Brown is also okay for most people.

Sun lenses should screen out 75 to 90 percent of light; be perfectly matched in color and absorption; and be free of distortion and imperfection.

If you can see your eyes through your sunglass lenses, they probably are not dark enough. This test, of course, won't work with light-sensitive lenses. With them, look for manufacturers' labels telling how much light they screen out in their darkest state.

Whether or not you wear prescription glasses, your optometrist can advise you about such sunglass features as ultraviolet protection, polarizing lenses, light-sensitive lenses, lens coatings, lens tints and plastic vs. glass lenses. He or she can also provide prescription sunglasses, if you need them.

Fair Magic

Come one! Come all! Don't miss FAIR MAGIC, the Mattapoisett Parent-Teachers' Club's greatest event this year! This Saturday, June 3rd, from 10:00 a.m. to 2:00 p.m. at Center School playground, the EXCITEMENT will abound!

Come celebrate the beginning of summer with face painting, balloons, pony and fire engine rides, games, sports competitions, a talent show, square dancing, recorder lessons, stencilling on T-shirts and totes, cookie decorating, picture-board photos and lots of delicious food. Although Fair Magic is orchestrated with kids in mind there is plenty for adults as well.

CARPET
for $7.95 sq. yd. . .

Being in the carpet business for over 10 years does have its advantages. We have found a way to offer a selection as wide as that of our competitors, at lower prices. The "way" is simple. Our costs are lower.

We've noticed that the public tends to assume that bigger "must" be better. In the carpet business, this has traditionally meant that a wide selection and lower prices can only be possible through a large inventory. This simply isn't true.

At Carpet Mart we order, direct from top manufacturers, only the carpets that our customers want. With no major inventory costs, and no middlemen, we are able to pass the savings on to our customers.

CF Bike-a-thon

EVERYBODY WINS!

Win $75. for collecting the most money for Cystic Fibrosis! Or win $50. or $25. or one of several gift certificates.

On Sunday, June 11th, the Youth Fellowship at the Mattapoisett Congregational Church is sponsoring a Bike-A-Thon to benefit the Cystic Fibrosis Foundation. This is an opportunity for children of all ages to have fun, win prizes and at the same time help support research to find a cure for Cystic Fibrosis.

The Bike-A-Thon will start at 1:00 at Center School. The course is ½ mile long, running around the school on Barstow, Church, Hammond and Pearl Streets. Participants should get a sponsor form at Seaport Pharmacy as soon as possible in order to begin soliciting pledges from neighbors, friends and family. Pledges can either be based on the number of laps a participant rides or be a donation of a specified amount. All participants must have their parents sign the waiver on the sponsor form prior to the event.

The day of the Bike-A-Thon participants ride as many laps as they can, resting whenever necessary. They have a card that is

VOLUNTEERS FOR NUTRITION SITE

Volunteers are needed for the Senior Citizen Nutrition Site which is located at Village Court in Mattapoisett.

The Nutrition manager needs help in preparing meal packages for the Meals on Wheels program as well as help serving the seniors who partake in the daily luncheon program. The hours would be morning hours, preferably from 10:00 to 12:00, but as a volunteer worker you would be welcome even though you could only manage 2 hours a month for this very vital program.

Volunteer drivers are also needed for delivery of Meals on Wheels when our mini van is away on a daily excursion with the seniors. This could be on a strictly volunteer basis or a "stipend" of 4.00 an hour can be paid to a driver.

Our Outreach Program is also in need of people to volunteer. Some of the duties of a volunteer would be to visit a senior who is a shut-in, to read, play cards, write a letter or just visit. Again, a small amount of your time would be greatly appreciated.

To any one who is interested in giving of themselves and of their time may call the Council on Aging office at 758-3758 Monday through Friday 9 a.m. until 12 noon.

A THANK YOU

The Mattapoisett Council on Aging wishes to thank all of the people of the town who shared their spring flowers with our shutins.

We also wish to express our gratitude to the Congregational Church Junior Fellowship members for delivering the flowers and sharing their enthusiasm and joy with us.

MEETING OF MAY 24:

Michael Kenny - Request for Amended Orders of Conditions for office buildings and parking lots located at Creek Road and Wareham Steet. MCC questioned whether amendments were possible, the original Orders having expired. It was agreed, by majority vote, to entertain instead a request for a Certificate of Compliance, based on the as-built site plan; Chairman John Rockwell opposed. Hearing was closed.

John E. Smith & Son, Inc., Front Street and Brookhaven Lane - 5 Notices of Intent for single family homes with septic systems and driveways. MCC asked for additional

perc tests, raised questions about septic system setback from replicated wetlands, numbering of wetlands flags, staking of lot lines, and other technical issues. A site visit was scheduled for 5 p.m. Thursday, May 25th. Hearing continued to 7:15 p.m. June 14th.

Paul Pender, Bass Point Road - Request for a Determination of Applicability for replacing a deck, adding a second floor to house. Applicant withdrew proposal to add rooms, will construct deck only. Hearing closed, and conditional negative findwas issued.

Norman Shachoy, Point Road - Continued hearing on construction done on a beach and in a flood zone. Hearing closed; orders will be issued.

Michael Bilentschuk, Ridgewood Lane - Request for Amended Orders, to pave an access drive originally to be a gravel surface. Hearing closed; amendments will be issued.

BVI Financial, Tucker Lane - Notice of Intent to construct single family dwelling with septic system and drive. A site visit was scheduled for 9 a.m. Sunday, May 28th. Wetlands flagging along the Louis Hambly property line will be verified. Hearing was continued to 8:15 p.m. on May 31st, Commissioner Barbara Burr abstaining.

The Commission met with William Madden of GAF Engineering to discuss revised drainage plans for the nursing home site now being developed off Mill Street Ext. Discussion followed of whether a new Notice of Intent would be required. The Commission unanimously agreed to allow a filing for Amendments to the existing Orders.

The Commission conferred with Selectman Ted Pratt about Board of Health matters, and expressed mutual concern about the accuracy of water-table tests and the proper installation of septic systems in Marion.

The Commission discussed advisability of hiring consulting engineers to review hydrology of sites now being litigated, and agreed to seek per hour estimates.

A certificate of compliance was issued to Joseph Pires of River's Edge.

MCC officers were elected, and all current office-holders were retained: Chairman, J. Rockwell; Vice-Chairman, B. McSweeny; Treasurer, N. Menzel; Secretary, K. Reis.

The Chairman reported on recent enforcement action taken against a property owner on Shellheap Road by DEQE for noncompliance with Superseding Orders of Conditions. Bringing the building into compliance is expected to be difficult and expensive.

Eight fine young ladies from Old Rochester represented our school and communities at the National Track Meet.

Edlyn Engle, Nicole Mott, Heather Harriman, Debbie Reardon, Kristen Engle, Casey Gunschel, Mollie Munroe, and Jennifer Morris did us honor. All the girls improved on their personal best, met students from Canada to South Carolina, and met former Olympic Athletes and Officials at this meet.

The Committee at White Plains did a wonderful job in housing thousands of athletes and coaches, preparing an exceptional meet, and organizing all the activities for the three days. Besides the thousands of athletes

This was a tremendous learning experience for our girls and they will carry this with them for the rest of their lives. All the ceremonies and activities were carried out like an Olympic Meet, including a parade, the National Anthem of the USA, and Canada, along with torch bearers and an Olympic Flame burning.

In the competition, Edlyn Engle took 6th place in the Long Jump with 16'8". This is also the area's best performance in the events. Debbie Reardon, who has the area best in the Javelin, just missed going into the finals. She threw 96'7". Nicole Mott had a great performance in the Triple Jump, would have placed third, was jumping over 34' but fouled 3 times in the event by less than 1". Heather Harriman qualified in the Long Jump but an injury prevented her from competing. Kristen Engle achieved a personal best in the Triple Jump by going 31'10". Casey Gunschel ran a strong 880 in a time of 2:41. Jennifer Morris just missed going into the Semi Finals in the 100 Meters and ran 13.2 seconds. Mollie Munroe set a new school record in the 440 Hurdles with a time of 74.2 seconds.

The expenses for the trip were completely paid for by the Track Parents' Boosters Club; team transportation was handled by Sippican Ocean Systems, and the moving of equipment by Gunschel Building & Main-

LETTER TO THE EDITOR

Information has reached this Department that a private commercial company, known as "Olde Colony Clean Water" intends to offer free water sampling to Mattapoisett residents to be followed by an effort to sell residents individual water treatment systems.

This is to serve notice that this effort is not in any way sponsored by, encouraged, or recommended by this Department and we strongly suggest that any resident who is served by the Town Public Water System who is interested in the complete analysis of our town water and its potability contact this Department where our files of tests (approved by D.E.Q.E.) will reveal our complaints with all the government standards. In all cases of which we are aware, your town water tests as well or better than any of the bottled water you can buy. Admittedly, we do have a minor problem with corrosiveness which should be eliminated as soon as our new corrosion control facility is completed and

By virtue and in execution of a power of sale contained in a certain mortgage given by WLADYSLAW PRZYBYSZ of Mattapoisett, Plymouth County, Commonwealth of Massachusetts to NEW BEDFORD FIVE CENTS SAVINGS BANK, a corporation established by authority of the Commonwealth of Massachusetts and doing business at New Bedford, Bristol County, said Commonwealth, dated January 7, 1987 and recorded with Plymouth County District of the Land Court, noted as Document No. 266488, on Certificate of Title No. 74637, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction on Tuesday, June 20, 1989 at 10:00 A.M., on the premises, all and singular the premises described in said mortgage, to wit: Land situated in Mattapoisett, Plymouth County, Commonwealth of Massachusetts, bounded and described as follows:

SOUTHWESTERLY by the northeasterly line of Brandt Island Road, sixty-seven and 27/100 (67.27) feet;
NORTHWESTERLY by Lots #2 and #5 on the plan hereinafter mentioned, two hundred ninety and 31/100 (290.31) feet;
NORTHEASTERLY by the southwesterly line of Maple Street, sixty-six (66) feet; and
SOUTHEASTERLY by land now or formerly of Ernest L. Gibbs, two hundred ninety-seven and 71/100 (297.71) feet.

ALL of said boundaries are determined by the Court to be located as shown on plan 27371A. drawn by Corse & Tibbetts, Surveyor, dated April 24, 1956, as modified and approved by the Court, filed in the Land Registration Office at Boston, a copy of a portion of which is filed in the Plymouth County Registry of Deeds with Certificate of Title No. 25736 and shown thereon as Lots #3 and #6.

FOR TITLE, see Certificate of Title No. 64094, present outstanding Certificate No. 74637.

SUBJECT to all unpaid taxes, tax titles, municipal liens and assessments, if any.

TERMS: 10% in cash or certified check; Balance in 10 days upon delivery of deed.

Letters to the Editor

With this letter, the Marion Planning Board wants to explain why we need the $10,000 that was approved unanimously at Annual Town Meeting, but lost by one vote at the override election. It will be on the ballot again on June 9th as Question #3.

For the last 18 months, we have worked with our consultant, Burk Ketcham, to create a comprehensive Land-use Plan for Marion. This is now complete. Until this plan is implemented, however, it is only a piece of paper. By-laws must be passed to put it to work. At the Special Town Meeting in March, a number of By-Laws were approved. There are, however, several more areas that need to be covered.

Preparation of By-Laws is a very technical procedure. They must be carefully written to insure the desired results, while avoiding unforeseen loopholes. This is where our consultant's experience is irreplaceable. Having worked for other communities in these same subjects, he can guide us around the pitfalls into which we non-professionals might fall.

We have an excellent Land-use Plan. We have made a good beginning toward implementing it. We need this extra $10,000

LETTER TO THE EDITOR

In August 1987 I moved into my "dream house" on Pinewood Way unaware that the vinyl lining of my water pipes contained a highly toxic, cancer causing chemical, trichloroethylene (TCE). TCE, like PCBs, is non-degradable and persists in the environment for hundreds of years. The realtor who sold me the house, the previous owners, and the Town of Mattapoisett did not inform me that my drinking and bathing water was contaminated. I had to read about it in the newspapers, when the town, after an appeal by those residents affected, voted to replace the piping in 3 or 4 neighborhood streets because of this TCE contamination.

As a registered nurse, I am active in my community and maintain a continuing interest in the degradation of our fragile environment. I am well aware of government pro-

nouncements of "safe levels" of toxins in the environment. And I am similarly aware of the fact that these so-called "safe levels" are often later found dangerously high and revised downward. So I buy my drinking water to the tune of $40.00 per month, and I limit my home bathing. TCEs can be absorbed through the skin as well as ingested. Julian Andelman of the University of Pittsburgh Graduate School of Public Health has pointed out that a hot shower releases 80% of the TCE contaminants into the air, where they are both ingested and absorbed by the body. He found, further, that doubling the shower time quadruples the dose of TCE contaminants.

Although I have drastically curtailed my home bathing, I have continued to experience unexplained general skin eruptions. And one of my neighbors suffered unexplained and severe chronic headaches for the past 7 years. These headaches disappeared spontaneously after she stopped drinking the tap water.

The Mattapoisett Finance Committee has displayed a lack of leadership, courage, sensitivity, and responsibility in advising town residents to vote against replacing the water piping on Pinewood Way. Please support our efforts to get this question on the November ballot by voting "yes"

LETTER TO THE EDITOR

Our neighborhood, which consists of Pinewood Way, Stoney Hill Road, and Tinkham Lane, has 28 homes, 85 residents and 40 children, every one of which is affected by the town approved water pipes which contain the cancer-causing agent, TCE. We have once again been forced to unite and inform the public of our plight and ask for help.

The bottom line is this -- the town is responsible for the water supply to our homes, and if there is a problem, then the town, in good conscience, should fix it! The continuous bureaucratic red tape required of us only slows the process, and keeps our clean, safe, drinking water out of our reach that much longer.

We appeal to you as caring town residents to help us in our fight for safe water. Put yourself in our position. If it was your street that was affected, you would demand no less. We need to support each other on this and other issues which will help keep Mattapoisett special. Please support our article at the Special Town Meeting on June 7th.

lege was chartered in 1899, welcomed its first class in 1902, and since its founding has provided first-quality education for women. The Simmons philosophy of liberal education enables students to combine the arts, sciences, and humanities with professional preparation in a variety of fields.

Congressman Pat Schroeder (D-Colorado) delivered the commencement address to an audience of approximately 5,000 graduates, family members and friends.

President William J. Holmes conferred a total of 358 bachelor's, 515 master's, and three doctoral degrees for the 1988-89 academic year.

GRADUATES FROM GETTYSBURG COLLEGE

Joseph M. Rocha, son of Mr. and Mrs. Joseph Rocha, Sr. of Mattapoisett, graduated from Gettysburg College with a Bachelor of Arts degree in History during commencement exercises on May 14th. Rocha is a graduate of Old Rochester Regional High School.

At Gettysburg he was active in Sigma Chi.

Gettysburg College is ranked among the top 100 most selective institutions of higher learning in the United States. Founded in 1832, the college provides a rigorous program of undergraduate studies in the arts and sciences.

JUNIOR FEMALE"ATHLETE OF YEAR" AT SPRINGFIELD COLLEGE

Softball standout Christine Knight of Mattapoisett has been selected the Junior Female "Athlete-of-the-Year" for Team Sports at Springfield College.

Knight, a 5'8" righthander, posted a 10-4 record with an impressive 1.84 earned-run-average this spring. In 99 1/3 innings she allowed 92 hits, 34 runs (26 earned) with 25 walks and 40 strikeouts. She also had a one-hitter against Division I opponent Central Connecticut State, and a two-hitter versus Keene State.

Knight, a three-year letter winner, was named to the Northeast-10 Conference (NE-10) All-Star second team. She also was selected to the GTE District 1 Academic Team after compiling a 3.89 grade-point average (on a 4.0) scale in Athletic Training. She is a Dean's List student at Springfield.

Knight is a 1986 graduate of Old Rochester Regional High School where she was captain, team MVP, and All-League in basketball and soft ball.

Springfield's softball team established a school record with 30 victories against only 19 defeats and captured its first Eastern College Athletic Conference (ECAC) Division II title in five years.

From Old Colony

STUDENTS RECEIVE SPOTLIGHT AWARDS

Eight students from Old Colony Regional Vocational Technical High School were recent recipients of Awards from Southeastern Massachusetts University's Project Spotlight Program. The "Participation with Distinction" Awards will be presented to Caprice Ditullio, Holli Gallagher, David Hotte, Tara Medeiros, Jonathan Rathbun, Scott Talbot, Jeff Verville, Kathryn Young. All eight students are juniors.

The Spotlight Program is an after school enrichment program for gifted and talented students. The program functions to bridge the gap between secondary school and college. Participants attend SMU on Thursdays from 3:15 to 5:30. The students attend various lectures as well as a mini-course each semester. Talented students from Southeastern Massachusetts High Schools participate in the spotlight program.

The Old Colony students will be presented their certificates at the June District School Committee meeting.

PRESENTATION ON CAREER CHOICES

Sixth grade students at Old Hammondtown School in Mattapoisett were given a presentation on Career Choices by Georgene Drewnak, Outreach Recruiter at Old Colony Regional Vocational Technical High School. A video entitled "You Can Do It" was shown

depicting classroom scenes throughout the country addressing the importance of technology education to college-bound students, those entering vocational training or beginning careers right after high school.

Carrie Russell, a freshman in the Machine Drafting Department at Old Colony, displayed a set of blueprints she drew and explained the program and career opportunities from drafter to architect.

The program will increase awareness of the opportunities available in Technology Education, Industrial Arts, and Vocational Education.

SENIOR ACTIVITIES

Old Colony Seniors will participate in their final two school activities this week. Thursday, June 1st, Seniors will be recognized with awards, certificates, and scholarships at the Annual Awards Night Ceremony scheduled to begin at 7:00 p.m. in the school gymnasium.

Commencement Exercises are scheduled for Sunday, June 4th, at 1:00 p.m. Attendance is by invitation only. Weather permitting, graduation will be held outdoors.

JAZZ BAND ENTERTAINS STUDENTS

The 23-member Apponequet High School Jazz Band brought "The Big Band Era" to Old Colony recently. After the performance, the Old Colony Culinary arts Department reciprocated the pleasure by arranging a special luncheon for the visiting musicians.

Old Colony students gave high ovations to the Apponequet musicians, who were getting ready for a performance in Canada. The Jazz Band, under the direction of Richard Noll, played 10 tunes with a mixture of both slow and fast songs. The band featured many student soloists throughout the numbers.

Next, a smaller band of students played selections of pure Blues improvisations -- one fast and one slow. The ensemble had the responsibility of interweaving with the

After much applause, the band headed for the Cougar's Den Restaurant where they were treated to a luncheon.

OLD COLONY HONORS FACULTY

In keeping with the recently celebrated National Teachers' Appreciation Week, the student body at Old Colony Regional Vocational Technical High School conducted a series of activities to recognize the important role of teachers in their education.

The students, with the support of the School Committee and Administration, decorated the school with banners, posters, and signs. Each day the students sponsored a small activity to say "Thank You". Each teacher received a special surprise each day. Highlight of the week-long event included a video taping of each teacher.

This year marked the third consecutive year that Old Colony students celebrated Teacher Appreciation Week.

STUDENTS BRING CLASSROOM TO STATE HOUSE

Recently Data Processing students Sue Mercier (E. Freetown), Tara Medeiros (Rochester), Leonora Whitcomb (Carver), and Vicki Camacho (Mattapoisett) brought their classroom to the State House. The students performed demonstrations of software packages including Lotus 1.2.3., d Base IV, and Word Processing to a continual stream of legislators and staff members. The experience provided a unique learning experience not only for the students, but also for the many visitors who passed through the students' demonstration in the three hour session.

MARTHA'S VINEYARD
YOUR ISLAND NEXT DOOR

The unspoiled charm and proximity of Martha's Vineyard Island make it a favorite getaway. No matter how long your visit, the Island has much to offer anyone looking for a quiet retreat or a fun-filled time. Part of the fun of visiting the Island is sailing aboard the Ferry Schamonchi. Since it departs from historic New Bedford, the Schamonchi offers the convenience of avoiding Cape Cod traffic. You'll sail in comfort during the 1½ hour cruise - roaming three decks or eating at the snack and cocktail bars.

DIRECTIONS

From Route I 195 take Downtown Exit 15 (Route 18 South). Continue on Route 18 to third set of lights, turn left and follow signs to our day and overnight parking lot across the street from the Schamonchi Dock and Bills Woods Wharf Limited Shuttle Bus Service available to the Elm Street garage.

Children's Museum

CELEBRATES FARM DAY JUNE 3

On Saturday, June 3rd, from 11:00 a.m. to 4:00 p.m. the Children's Museum in Dartmouth at 276 Gulf Road, South Dartmouth offers visitors the opportunity to groom a horse, make butter, plant seeds, ride in a horse-drawn wagon and learn up close about cows, goats, and chickens, as the Museum presents FARM DAY. Museum visitors can celebrate the importance of agriculture in southeastern New England as area farmers and livestock handlers bring their animals and expertise to the Museum.

From 12:00 to 3:00 horse fanciers of all ages can enjoy a free ride through the conservation lands surrounding the Museum, courtesy of Bob and Linda Belliveau of B & L Wagon Rides and their Clydesdale horses Sarge and Spike. From 1:00 to 4:00 p.m. visitors can also experience a horse at close hand, as Daleen Hall demonstrates grooming with her horse Sammy and invites visitors to try their hand with a brush.

Alden Kirby will bring dairy cows from his Herring Run Farms in Westport. Mr. Kirby, a long-time local farmer, will talk about cows and dairy farming and, as a special highlight, will demonstrate hand milking from 3:00 to 4:00 p.m. Museum staff will give guests a chance to take part in making butter.

Dairy goats and laying hens will be on hand too, along with their owners, members of the Little Squannokonkas 4-H Club in Rehoboth, who will show the animals and explain about their care.

Visitors can also learn about local vegetable farming from a display of plants provided by Figueiredo's Greenhouse and children can plant a seed to grow at home.

Families are invited to bring a picnic lunch to enjoy on the Museum grounds.

Museum admission is $3.00 per person up to a maximum of $12.00 per family. This admits visitors to all Museum exhibits, including AquaREEFic!, the Museum's newly opened undersea exhibit. The Museum's Saturday hours are from 10:00 a.m. to 5:00 p.m.
